The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

Response to Arguments

1. Applicant's amendment although improve readability, it also raises new issues because it narrows the scope of the invention and would require further consideration and search.
2. The arguments filed 5-14-08 have been fully considered but they are moot since the amendment is not being entered.

/Marcos L Torres/

Examiner, Art Unit 2617
